

## BACHELOR IN CITIZENSHIP AND CIVIC ENGAGEMENT (B.A.)

### Who You Are

You believe there are many things that must be changed in our planet and you want to make sense of the society in which you live. Your objective is to develop ideas for your initiatives, your groups or your start-up that helps your ideas to flourish. **You want to make a difference in the world.** By doing volunteer work for the issues that you are passionate about, **you inspire and mobilize people** to join important causes that will sustainably and constructively change the world we live in.

### Key Information

In this study program, you will learn how to promote and mobilize constructive campaigns. You will understand conflict resolution, political philosophy and human rights in a way that will allow you to develop critical thinking skills to push change for the causes and organizations you will work for.

You will learn how to be involved in social network, debates and also how to conduct efficient research that will lead to important change in society.
