## MASTER IN MANAGEMENT (M.A.)

### Your Profile

**You want to re-think Management and engage it in a non-traditional way.** You want a flexible program that will allow you to pursue your professional goals (like having a part-time job) and that also teaches you how to provide an additional value, beyond "business as usual". You wish to connect your knowledge and experience with different perspectives to create and contribute to businesses and organizations that unfold **strategically** and **responsibly**.

### Key Information

In this program, you will have the opportunity to take your experience to the next level. **You will have a comprehensive and more integral perspective than with any other conventional curriculum.** Here you will be able to rethink and transfer ideas from and between multiple disciplines as well as transdisciplinary.

You will enter a playing field where management, cultural and social sciences, theory and practice, ethics, and sustainability come together. **You will learn how to critically reflect on various intertwined areas in this field, to make informed decisions and to take action.**

The 4 rigorous semesters will focus on structure, performance, creativity & transformation, and research. Additionally, you can choose between specializations (see below).
