Health insurance information

-EU-Citizens have to bring their European Health Insurance Card; Turkish students need to provide the AT11 form. Non-EU-citizens can sign up for a German health insurance (approx. 105 € / month). Private or Public health insurance from a non-EU country which has unlimited coverage, is no longer accepted as sufficient insurance for students studying on an exchange in Germany according to a change in legislation §193 Abs. 3 Satz 1 VVG. German health insurance must be obtained by students coming from outside of the European Union (EU). This does not apply to non-EU citizens already studying in Europe.

Housing information

The International Office provides recommendations on how to find accommodation (see separate sheet). Exchange students are recommended to make housing arrangements as early as possible. The student dorms often require an application a few months before the start of the semester, but students should also start applying early if they choose to take a room in a shared apartment. We recommend for students to pursue a variety of options, contact different landlords or students offering a room in shared flats and place their own announcements on housing portals such as **www.wg-gesucht.de**

Karlsruhe Student Union (Studierendenwerk Karlsruhe)

All students who wish to be enrolled in a German university need to pay the semester fee to the Studierendenwerk Karlsruhe (Karlsruhe Student Union), which is in charge of the canteens and residence halls and offers psychological counseling, legal and other services. This amount includes insurance fees for a liability insurance that covers cases of damage which are directly related to your studies. For more information see **<https://www.sw-ka.de/en/>**

Transportation

Karlsruhe offers a well-developed system of public transportation (bus, tram, city and regional railway) so that all districts can be reached easily and quickly. The Karlsruhe Student Union and the local transport system (KVV) have initiated the so-called "semester ticket" that allows all students enrolled at universities in the Karlsruhe region to use local transportation (trams, buses and regional trains) for a reduced fee. It is valid for one semester (6 months) and costs **€162,80 (as of September 2021)**. Those who register with the city of Karlsruhe as new residents receive a voucher for their first semester ticket as part of their welcome package.
