

THE MENTORS

About the program:

The Karls Alumni Mentoring is where a mentor supports mentees with academic guidance, career advice and encourages personal growth by sharing their own experiences and expertise.

Key Info:

Duration: 1 semester

Frequency: 1x per month, or upon agreement.

Communication: Microsoft Teams, Email, or upon agreement

Goals:

- Stay connected with Karls
- Enhance and practice a mentoring role for leadership skills and self-development
- Opportunity to share your professional experience with current students
- Give value by offering new perspectives and expertise supporting student's professional growth
- Expand network

Activities:

- Mock interview
- Resume critique
- Job shadow
- Pitch practice
- Insight on mentor's skills and agenda
- Insight on mentor's network and job search strategies

Tips for success:

Establish clear expectations

Take initiative

Share your interests, goals and struggles

Stay engaged: mentoring is a two-way street; share your knowledge too

Prepare questions and request feedback

Respect boundaries
